Notes

1. You do not need to subscribe to Zoom to join the meeting.
2. It works best if you can join via a computer or laptop with a camera. You can also participate using your smartphone or tablet by downloading the Zoom app if a computer is not possible, but it may be a little trickier to participate.
3. You will be asked to provide your name when you join.
4. You will be held in an online 'waiting area' until the meeting starts.
5. You should be prompted to test your audio when entering the meeting.
6. Please, if you can, turn your video on – not only would it be lovely to see you, but it really helps you to feel engaged with the meeting.
