DITTISHAM PARISH COUNCIL
Incorporating the Hamlet of Capton and the Manors of Bozomzeal and Coombe

Monthly meeting Wednesday 7 October 2026

Item 10.1 Neighbourhood Plan

The most recent meeting was 21st October. The plan is now substantially in first draft form. We are currently revising it so that we have a complete set of succinct policies, supported by a brief written statement with further supporting argument and evidence in appendices.

We are aiming to complete this second draft by mid-November, at which point we will ask the NP officer at SHDC to review it and give us feedback on whether we are on the right track. We will then table this version to DPC as an update of work-in-progress.

The next step in the Spring is to hold a public meeting, possibly in the form of exhibits that people can visit and comment upon over a number of days.
